## Team Work

## Company Values

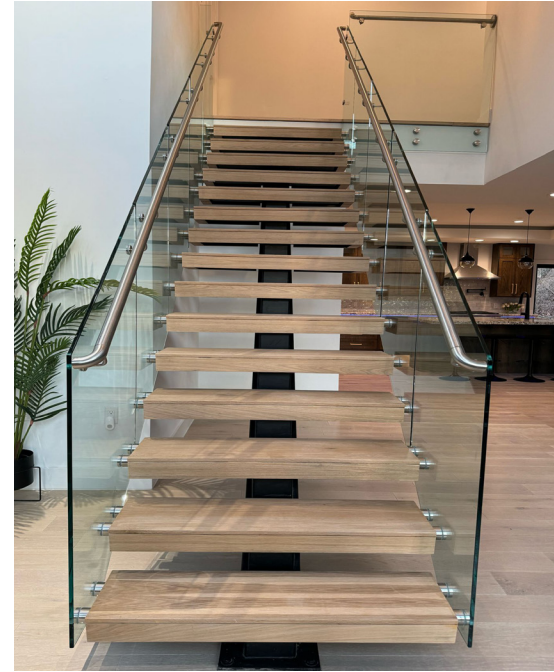

These values serve as the foundation of our company culture, guiding our decisions, actions, and relationships as we strive to fulfill our mission of creating exceptional spaces that enrich lives and inspire the imagination.

### Precision Craftsmanship:

We are committed to the highest standards of precision and craftsmanship in every aspect of our work, ensuring superior quality and attention to detail in all our products and services.

### Passion for Design:

We are passionate about design and creativity, embracing curiosity, exploration, and experimentation to inspire and delight our clients with innovative, timeless, and transformative solutions.

### Innovation and Technology:

We embrace cutting-edge technologies and innovative techniques to push the boundaries of design and millwork, continuously seeking new ways to enhance efficiency, creativity, and sustainability.

### Client-Centric Approach:

Our clients are at the heart of everything we do. We listen attentively to their needs, preferences, and aspirations, delivering tailor-made solutions that exceed their expectations and create lasting satisfaction.

### Integrity and Transparency:

We conduct our business with honesty, integrity, and transparency, fostering trust and accountability among our team members, clients, partners, and stakeholders.

# Clients & Projects

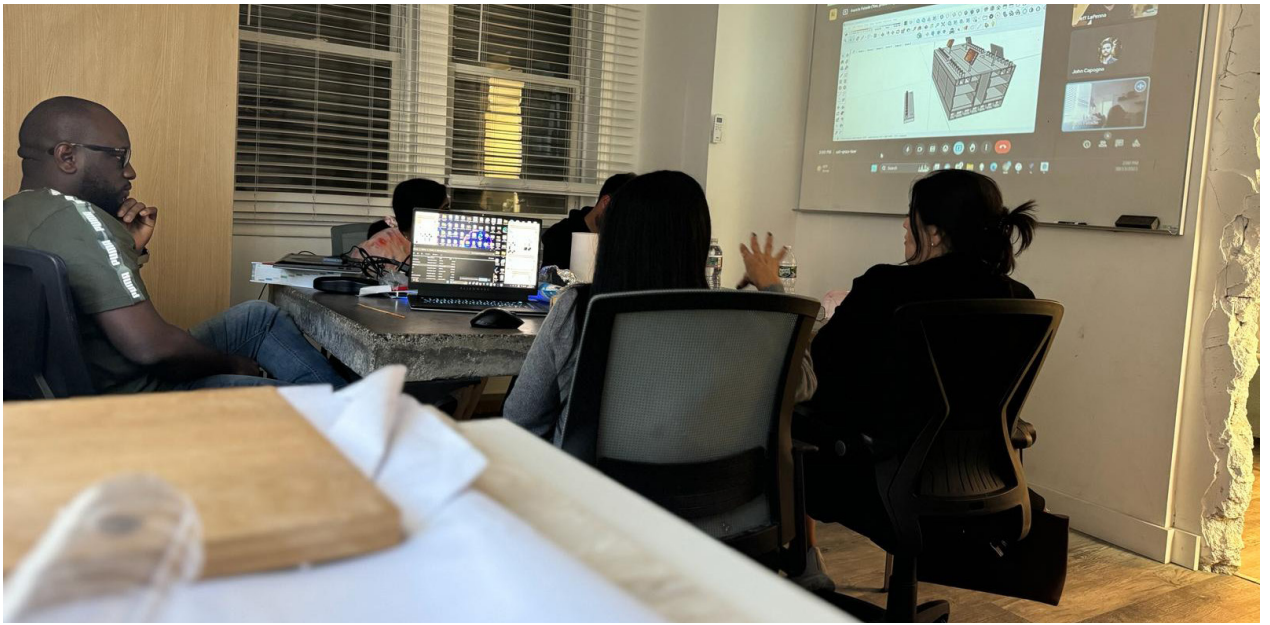

offering solutions to our clients design & fabrication challenges

With our diverse range of expertise, we cater to discerning clients seeking bespoke solutions for their architectural and interior design needs.

From intricate architectural details to bespoke furniture, Probuk Studio transforms visions into tangible masterpieces.

# Clients

**01 - Galileo Health**

We were responsible for all the millwork for their tele-doc center in Manhattan, New York.

**02 - Anja Dispensary**

We were responsible for the millwork for this upscale dispensary in the Woodbridge, including designing a unique bud bar leveraging original and authentic design solution .

**03 - Museum Of Illusion**

We were responsible for bringing to life the unique pieces for the Musuem of Illusion, Pittsburgh.

**04 - Sushi By Bou (Hoboken)**

We collaborated with the general contractor to fabricate the millworks for the Sushi restaurant.

01

# Projects

Setting new standards of excellence in Architectural millworks.

## Museum Of illusions

**Location** - Pittsburgh, PA.

**Status** - Completed.

**Client** - Museum of illusions, Pittsburgh

# 02

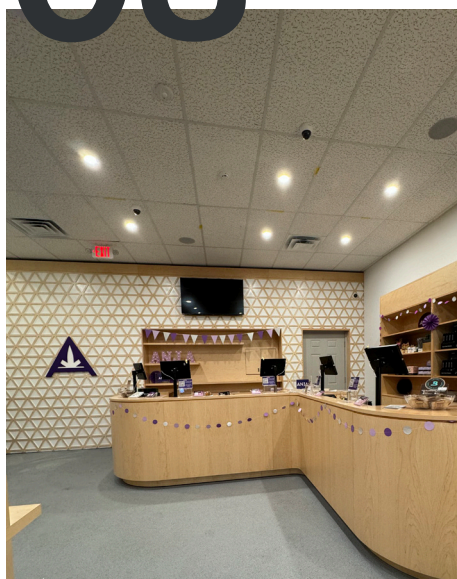

## Hotel

**Location** - Newark, NJ.  
**Status**- Completed.  
**Client** - Infinity Hotels

We designed this beautiful Maid's market at Hilton Hotel, Newark, to service the complimentary snacks and gifts given to the hotel guests.

# 03

## Dispensary

**Location** - Woodbridge, NJ.  
**Status**- Completed.  
**Client** - Anja Dispensary.

The Anja Dispensary Project was a very interesting one, it was filled with many design challenges and resolving them was exciting.

We had to design a custom bud bar with pods and a tether that enables their client to pull the jars which activates the interactive screen and gives more information

We also had to design the entire floor plan to make it more fluid and visually aesthetic.

# 04

## Residential

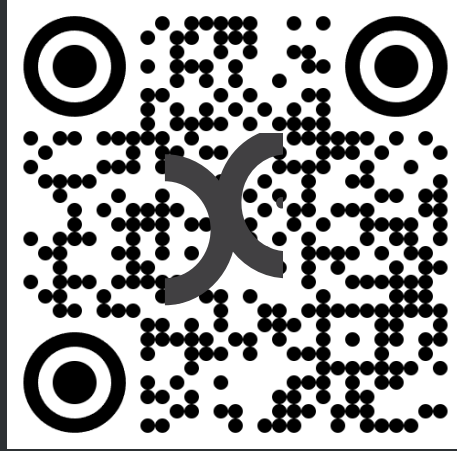

**Location** - Livingston, NJ.  
**Status**- Completed.  
**Client** - Dankann Architecture

This Shaker-styled kitchen was designed for a beautiful property in Livingston. The design elevated the entire space.

We also included some innovative touches and gadgets, such as the wireless charger on the island, ambient lighting, motion-sensor cabinet opening systems and smart gadgets.
